- Disaster waste

Internships Available!

A limited number of “Internships for a Day” are available to students enrolled in Environmental Sciences, Engineering and other related fields of study.

Spend **Tuesday April 3, 2012** in Palm Springs California at the Western Regional Symposium (WRS) hosted by the founding chapter of the Solid Waste Association of North America. Learn about the wide range of career opportunities available to you in the solid waste industry!

Students selected for Internships will receive

- No cost attendance at the Symposium on April 3
- Individual mentorship by an industry professional for the day
- Access to all technical sessions
- Lunch Provided
- Networking opportunities with industry professionals
- Exposure to a variety of environmental solutions to today's problems
- Job and Internship postings

Apply Today! Applications for WRS Internships are available on the Solid Waste Association of North America, Founding Chapter, web site on the Western Regional Symposium page.

Applications are due by March 9, 2012.

Students may attend the Western Regional Symposium for a discounted rate of \$95. Information regarding all technical session and events may be viewed on the web site.
